

云南中医学院

Yunnan University
of Traditional Chinese Medicine

Yunnan University of Traditional Chinese Medicine was established in 1960 with a history of 50 years, located in Chenggong New Town, Kunming, the capital city of Yunnan Province, where is famous for its scenic splendors and spring-like weather all-year round. The campus of YUTCM occupies an area of 55 hectares, with pleasant surroundings and buildings of all kinds

of functions.

The university focuses on the education of undergraduate and post-graduates as well as the education for international students and continuing education. The university is able to award degrees of medicine, science, engineering and management and offers 19 master degree programs, 15 undergraduate programs. There are 34 professors, 111 associate professors and more than 7,000 students in the university. The 6 affiliated hospitals can meet with the students' clinical practice and learning in all aspects.

By now, YUTCM has established strong relationship with universities and organizations abroad and different programs have been proceeded for many years, such as Prince of Songkla University in Thailand, Chiangrai Rajabhat University in Thailand, Pan-European Medical Consultants Society of T.C.M. in France, European Foundation of Traditional Chinese Medicine in Spain, Korean Traditional Medicinal Food Laboratory, Australia Education Management Group and so on.
